**Alderman McDowell called the Planning & Zoning Committee Meeting to order.**

**McDowell turned meeting over to Todd Bennett Elks Lodge Trustee.**

**Bennett stated that he would go along with the 2 officers and 4 auxiliary officers and stated that we would like to add an additional officer. Having the ambulance on site would not work out due to lack of man power. We could possibly have a paramedic on site.**

**Fire Chief Martinez stated that we do not have the man power to leave an ambulance on the site of the Rodeo.**

**Bennett stated that we have 2 churches right now that have given permission to park in their lots. The rodeos contracts and hire the people working for them, they will not hire anyone from the city. We also need to address the Rodeo time. We might start at 1 o'clock till 4 p.m. and then they will begin the Rodeo.**

**Mayor stated that we just want to know about the hirees, and as far as other events this just concerns the hours of the Rodeo.**

**Bennett stated that they could have everything cleaned up on Sunday night except for the bleachers and stands.**

**Mayor stated that the stands are not a concern.**

**Bennett also stated that we need the \$750.00 defined.**

**Mayor stated it's mostly the animal waste and we will only be concerned about resident's complaints.**

**McDowell stated that next at the next meeting on May 1, 2018 we will have a new draft to discuss.**

**MOTION By McDowell, second by Elliott to adjourn the Planning & Zoning Committee Meeting. ALL VOTED YES. Motion Carried.**
